Remedial Measures for Slow Learners

The performance of the students in Continuous Internal Examination (CIE) is taken as the major input in identifying the students as advanced learners and slow learners in the beginning of the semester. The following Efforts are taken to arrange the Remedial Class for slow learners

1. Slow learners list and remedial measures are discussed in class committee meeting
2. Special Class has been arranged for slow learners
3. Special Classes are conducted as per the Special Time table
4. Measure the performance of the slow learners after the special classes
5. After giving Remedial Class, Performance analysis was done for the slow learners with the end semester exam result
