- Skill Development Program as a certificate courses for students of Mechanical Engineering, Automobile Engineering, EEE and ECE, spread across the 2 semesters with at least 4 workshops in one semester with minimum strength of 100 in each workshops.
- Workshops for Students of Mechanical Engineering, EEE, and ECE, on workshop fee payment from the participating students, with each workshop having participants size not less than 100 students.
- ISIE will conduct 8 days special Internship program (Technical + Management, Target Orientation and Based on live problems) for 1st&2nd-year students, internship fees from participating students of Mechanical Engineering, EEE and ECE would be there. The participants size not less than 100 students.
- Will support technically for organizing Seminars, workshops & other activity in Collegein allied areas of Mechanical and Automobile Engineering. Will loop in experts from industry and academia from across the INDIA for such programs to be organized at College for associating with such events as members of Advisory Panel, Editorial Board, Invited Lectures, Key Note talks etc. as deemed necessary upon mutual consent of both the parties of the MoU.
- Will provide recognition to College with "Student Research Association "that **Sethu Institute of Technology** ensures a minimum size of individual professional membership of 2+ faculty members and 20+ student members from its institute.
- The ISIE chapter will not be limited to any discipline it'll be an open platform for all discipline of Science and Technology.
- ISIE INDIA will organize summer training program in College as open centre.

2. Imperial Society of Innovative Engineers (ISIE) will procure certified trainers and Industry expertise.

3. **Sethu Institute of Technology** should procure below the infrastructure during this training program

1. The needful infrastructure of class area, man power and electrical connections for the class room equipped with all essential necessities.
2. Necessary furniture for classrooms.
3. Necessary amenities and infrastructure for organizing certificate courses, workshops.
4. Accommodation, Local Transportation, and hospitality will be provided to all the trainers, experts, speakers and Guests.

4. ISIE INDIA will provide its social platform for the publicity of college.

3 Period of Validity:

This agreement shall be initially valid for a period of one year from the date of signing of the MoU and to be renewed subsequently upon mutual consent of both the parties by doing necessary changes.

4 Arbitration:

Any dispute arising with regard to any aspect of this Agreement shall be settled through mutual consultations and agreements by the parties to the Agreement.

5 SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the Agreement and having equal legal validity.

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

4. Credit system and Wallet

Usage: The E-commerce system enables each Student to hold a digital wallet which enables the Student to hold/top-up money and spend from materials sold within the LetzConnect application.

Application:

- (a) The Students may gain credits through various promotional activities appearing on the Product from time to time as well.
- (b) The company has partnered with a semi-closed wallet license holder for providing the above said service and shall comply with all or any RBI guidelines existing as the time of this Agreement and any amendments therewith and shall hold full responsibility for the transactions within the ecosystem.

5. Some of the other salient features of the Product include :-

- (a) Bookshelf (Highly recommended feeds) – The user shall be able to buy books and video contents for free or for a certain cost depending on the content. The contents shall be stored in the user's Bookshelf and shall be accessed when needed. Bookshelf may also contain free to access content on academic, research or soft skill topics.
- (b) Classroom – The user shall use his digital wallet to attend paid sessions of interest. The contents shall be stored in his Bookshelf and shall be accessed when needed. The users may be able share such contents with other users of the Product.
- (c) LetzShop – The Company provides various products and services with offers and at a discounted price to the users. The users shall use their digital wallet to purchase from LetzShop.
- (d) Internship / Career - The Company provides various job vacancies and offers through this portal to the users. The users shall be able to access the opportunities provided within the portal and apply for such openings through the portal and not directly.
- (e) Higher Studies - The Company provides an insight into countries offering courses for higher degrees a way to access and apply for such higher studies. The users shall be able to access and apply for such openings through the gateway and will be notified frequently on the progress.

A. Nand Lal

Schedule 2
Functioning of the Product

LetzConnect Product is developed proprietary within the company and the intellectual property is owned by the company. The Product is designed and developed to be highly secure, high performing and built on the latest technologies available in the market. The Product is deployed on a data center with world class hardware and IT infrastructure. The Company has a commitment to maintain the data center, IT infrastructure, mobile and web based applications through the contract Period. The data maintained in the system are protected against failures due to natural, electronic or communication related causes. The data maintained on the LetzConnect Product can be reported through its software applications or reports based on the data privacy agreements agreed upon while signing up the users to the Product. Users may access the Product by installing the mobile applications on their smart phone devices or from a personal computer through any industry standard web browser software.

1. Availability - LetzConnect system shall be available to the customer through 24 hours a day and 365 days a year, except the schedule maintenance and upgrade timeframe.
2. Product Upgrade - LetzConnect shall upgrade its Product to introduce functional features, fix software bugs, apply security patches or to be made compatible with changing smartphone and computer operating systems. Periodic upgrades to the mobile applications shall be published through authorized mobile app stores such as Apple iOS app store/ Android Play Store. LetzConnect recommend that Students and Faculty members shall upgrade their smart phone applications on a timely manner to continue to use the system.
3. Data Usage - LetzConnect Product transfers data with server systems on a periodic and on demand basis. The data traffic shall be facilitated by the user's WiFi or Cellular network. The Users are liable for the data consumption for the information exchange between their own devices and the server systems.
4. Help desk Support - LetzConnect shall have a help desk support system to address concerns regarding usage and issues using the LetzConnect Product.

A. Arun Kumar

Schedule 3

Information Security Considerations

Company shall deploy necessary physical, software security configurations to protect the data maintained by and within the Product as per the industry standard information security practices. The following considerations are deployed as per the Company's data security policy.

1. **Physical security to Data Center:** Letzconnect Product and systems are deployed in data centers with multi layered physical security perimeters permitting only authorized personnel to administer the data centers. The data centers shall be maintained by LetzConnect and/or an authorized Vendor adhering to the security standards and practices.
2. **Software level security features:** Information stored in LetzConnect shall be encrypted at rest and transport such that only authorized personnel with the appropriate access control shall access to information stored in the system. Personal information of Students and Faculty members of the system shall not be accessible to system users unless authorized.
3. **Digital Certificates:** LetzConnect Product shall communicate based on a Digital certificate signed by an authorized Certificate Authority for secure information exchange.
4. **Security Policy:** The Product shall enforce security best practices such as Password Policy, email policy and Access control policy, with periodic review of the applicable policies bi-annually.
5. **Compliance to Standards:** LetzConnect Product and system processes that adheres to the "ISO/IEC 27002 Information technology – Security techniques – Code of practice for information security management", a widely adopted industry standard from ISO.
6. **Cyber Security for Integrated Applications:** Third party components or products which integrate product functions to LetzConnect Product is liable to implement the appropriate information security standards as per the product function integrated. Company shall perform cyber security evaluation of any component or product with reference to information security standards. Company also ensures that the third party components or products integrating with LetzConnect Product adhere to the necessary compliance standards.
7. **Training:** Company shall provide security awareness and best practices trainings to its Product users through its website and/or personalized notifications.
8. **Periodic Monitoring and Review:** Company shall periodically monitor the Product security events and shall perform appropriate corrective and preventive remediation.
9. **Information Censoring:** Company Product shall have a feature to prevent unparliamentarily or right violation of contents. There shall be option for users to report such content which can be controlled by the Authorised Customer Administrator or the Company's support personnel. There shall be a content monitoring team from the Company to continuously monitor the content for optimal operation of the Social Networking feature.

- G) **LITZ Tech Pvt Ltd** is located in No-4, Arangasamy Street, Civil Aerodrome, Sitra, Coimbatore, Tamilnadu: 641001 **LITZ Tech** is dedicated to Learn IT Zone

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1
CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within Sethu Institute of Technology and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2
SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their Technical Skills
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have

a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

- 2.4 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.5 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.6 **Placement of Trained Students:** Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships
- 2.7 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein
- 2.8 There is no financial commitment on the part of the Sethu Institute of Technology, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Name of Industry**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **Name of Industry**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5

RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party

Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Madurai**.
