TERMS & CONDITIONS

ANNEXURE A

1. Security & Confidentiality. This letter and its contents are private and confidential. By accepting this offer, you hereby agree to maintain its privacy and confidentiality even beyond the term of your internship. You also agree not to share a physical or electronic copy of this offer letter with any other individual or organization in the future. You agree to maintain confidentiality of all of Company's Intellectual Property, during and beyond the term of your internship. For clarity, the term Intellectual Property shall include all patents, patent applications, copyrights, works which are the subject matter of copyrights, work products, inventions, trade secrets, formulae, techniques, processes, data, technical information, source code, ideas, know-how, reports, documentation, records and manuals. You will not (except in the normal course of the Company's business) publish, broadcast, disseminate, comment upon or communicate any information relating to the Company, including but not limited to its products, service offerings, operations, employees, financials, Intellectual Property, contracts, activities or any matter with which the Company may be concerned, unless you have written authorization from the Company. For clarity, this clause also applies to publication of information in online & social media platforms. You will be required to maintain utmost secrecy in respect of Company information, Client Information, Project documents, design documents, Project cost & Estimation, Technology, Software packages, license numbers, policies, processes and trademarks. You will not disclose, divulge or make public any, technical or otherwise, pertaining to Company or its clients, that might come into your possession during your service with the Company. You will not transfer or store any information pertaining to or owned by the Company or its partners or clients, into any hardware, software, online or electronic media, including but not limited to CDs, USBs, flash drives, music players, online storage and private email accounts. You will also not transfer such information to any equipment, device or network not owned, provisioned and managed by Company or its clients. You will not, during your internship with the Company, improperly use or disclose any proprietary information or trade secrets of any former or concurrent employer or other person or entity and that you will not bring onto the premises of the Company any unpublished document or proprietary information belonging to any such employer, person or entity unless consented to in writing by such employer, person or entity. You recognize that the Company has received and in the future will receive from third parties their confidential or proprietary information, subject to a duty on the Company's part to maintain the confidentiality of such information and to use it only for certain limited purposes. You agree to hold all such confidential or proprietary information in the strictest confidence and not to disclose it to any person, firm, entity or corporation or to use it except as necessary in carrying out your work for the Company consistent with the Company's agreement with such third party.

2. Work Product: All your work during the term of internship with Company, including but not limited to source code, research, inventions, documentation, algorithms, formulae and byproducts, whether completed or in progress, shall be the sole property of the Company. Such work will also be governed by Security & Confidentiality guidelines described above.

3. Inventions: You agree to promptly disclose and describe to Company, and agree to assign and hereby do irrevocably and unconditionally assign to Company, the entire right, title and interest (including all patent rights and other intellectual property rights) in and to all Inventions (as defined below) created, made, conceived or reduced to practice, that (i) were developed in the course of providing services or creating deliverables for the Company; (ii) relate in any way to the conception, design, development or support of products for the Company; or (iii) were developed using any amount of the Company's

equipment, supplies, facilities or Proprietary Information (the "Company Inventions"). To the fullest extent permitted by applicable law, you hereby agree to waive all claims to moral rights and any analogous rights in and to any Company Inventions. "Inventions" means any new or useful art, discovery, design, development, contribution, finding or improvement, whether or not patentable, together with all copyrightable and patentable works, including but not limited to all software, works of authorship, trademarks, formulas, methods, processes, manufacturing techniques and trade secrets, and including all related know-how and rights to obtain, register, perfect and/or enforce these proprietary interests. You agree to keep and maintain adequate and current written records of all Inventions during the term of your internship with the Company. The records will be in the form of notes, sketches, drawings and any other format that may be specified by the Company. The records will be available to and remain the Company's sole property at all times. You agree to assist the Company, or its designee, at the Company's expense, in every proper way to secure the Company's rights in any Inventions and any copyrights, patents, mask work rights or other intellectual property rights relating thereto in any and all countries, including, but not limited to, the disclosure to the Company of all pertinent information and data with respect thereto, the execution of all applications, specifications, oaths, assignments and all other instruments that the Company deems necessary in order to apply for and obtain such rights and in order to assign and convey to the Company, its successors, assigns, and nominees the sole and exclusive rights, title and interest in and to such Inventions, and any copyrights, patents, mask work rights or other intellectual property rights relating thereto. You further agree that your obligation to execute or cause to be executed, when it is in your power to do so, any such instrument or papers shall continue after the termination of your internship with the Company and the termination of this Agreement.

4. Code of Conduct: You agree to maintain exemplary conduct and decorum, and shall adhere to the rules and regulations of the Company in letter and spirit.

5. Termination: Either party may terminate the internship at will, for cause or convenience. Notwithstanding the foregoing, the Company shall be entitled to terminate the internship under this Agreement for Cause including but not limited to any breach of the Terms and Conditions of Internship, fraud, financial impropriety, falsification of records, actions that are deemed to be not in the best interests of the Company, nonperformance of assigned duties.

6. Non-Solicitation: You agree that for a period of twelve (12) months immediately following the termination of your internship with the Company for any reason, whether with or without cause, at the option either of the Company or yourself, with or without notice, you will not, either directly or indirectly, solicit, induce, recruit or encourage any of the Company's employees or contractors to leave their employment or contract engagement, or hire or take away such employees or contractors, or attempt to solicit, induce, recruit, encourage, hire or take away employees or contractors of the Company, either for yourself or for any other person or entity.

7. No Conflict. You agree that, during the term of my internship with the Company, you will devote your full time and efforts to the Company and you will not engage in any other employment, occupation or consulting related to the business in which the Company is now involved or becomes involved during the term of your internship, nor will you engage in any other activities that conflict with your obligations to the Company. You agree to execute any proper oath or verify any proper document required to carry out the terms of this Agreement. You represent and warrant that your performance of all the terms of this Agreement will not breach any agreement to keep in confidence proprietary information acquired

by you in confidence or in trust prior to your Internship by the Company. You have not entered into, and you agree that you will not enter into, any oral or written agreement in conflict herewith.

8. Interference. You agree that during the course of your Internship and for a period of twelve (12) months immediately following the termination of your Internship with the Company for any reason, whether with or without cause, at the option either of the Company or yourself, with or without notice, you will not, either directly or indirectly, interfere with the Company's relationships with any of its customers or partners whom you served or who became known to you during the course of your Internship.

9. Covenant Not to Compete. You agree that during the course of your Internship and for a period of twelve (12) months immediately following the termination of your Internship with the Company for any reason, whether with or without cause, at the option either of the Company or yourself, with or without notice, you will not, either directly or indirectly, (i) serve as an advisor, agent, consultant, director, employee, officer, partner, proprietor or otherwise of, (ii) have any ownership interest in (except for passive ownership of one percent or less of any entity whose securities have been registered under the applicable Securities Act) or (iii) participate in the organization, financing, operation, management or control of, any business directly or indirectly in competition with the Company's business with the exclusion of generic software services as conducted or contemplated by the Company during the course of your Internship with the Company. The foregoing covenant shall cover your activities in every part of the Territory. "Territory" shall mean (i) the United States of America and (ii) all other countries of the world; provided that, with respect to clauses (i) and (ii), the Company derives at least five percent of its gross revenues from such geographic area prior to the date of the termination of your Internship with the Company. You acknowledge that your fulfillment of the obligations contained in this Agreement, including, but not limited to, your obligation neither to use, except for the benefit of the Company, nor to disclose the Company's Confidential Information and your obligation not to compete contained herein, is necessary to protect the Company's Confidential Information and to preserve the Company's value and goodwill. You further acknowledge the time, geographic and scope limitations of your obligations hereunder are reasonable, especially in light of the Company's desire to protect its Confidential Information, and that you will not be precluded from gainful employment if you are obligated not to compete with the Company during the period and within the Territory as described above.

10. Return of Company Property: You will be responsible for safekeeping and return in good condition and order of all Company property, which may be in your use, custody or charge. Company shall be entitled to recover costs for any loss of or damages to such property.

11. Entire Agreement. The Terms and Conditions detailed herein together with the Offer letter constitute the entire agreement and understanding between the Company and you relating to your Internship with the Company and supersedes all prior discussions or representations between the Company and you, including, but not limited to, any representations made during your interview(s) or relocation negotiations, whether written or oral. No modification of or amendment to these terms and conditions, nor any waiver of any rights hereunder, will be effective unless in writing signed by the officer authorized by the Company's Board of Directors to sign such writing and you. Any subsequent change or changes in your duties, stipend will not affect the validity or scope of these terms and conditions.

14. Other: At the time of joining, you are required to submit photocopies supporting educational qualification(s), date of birth/age, Voter id, Passport, PAN card and Drivers' license. You are also required to get your originals which will be returned upon verification.

15. You understand that you cannot sign or execute any documents, contracts or other binding agreements on the Company's behalf, unless specifically authorized by a valid power of attorney issued by the officer authorized by the Company's Board of Directors to sign such power of attorney.

16. Company reserves the right to change the terms and conditions hereunder at any time.

Acceptance of Terms & Conditions:

By signing and dating below, I **Fardhan Ahmed Azgar**, confirm that I am executing this Agreement voluntarily and without any duress or undue influence by the Company or anyone else; and I have carefully read the terms & conditions, and agree to adhere to the same. I have asked any questions needed for me to understand the terms, consequences and binding effects and fully understand them.
