MEMORANDUM OF UNDERSTANDING

BETWEEN

**SETHU INSTITUTE OF TECHNOLOGY
PULLOOR, KARIAPATTY-626106**

AND

**MADURAI DISTRICT TINY & SMALL SCALE INDUSTRIES
ASSOCIATION (MADITSSIA)**

SCOPE

This MOU is arrived between SIT &MADITSSIA for their mutual benefits in the following areas:-

1. Exchange of information to the faculty and students through periodical meetings
2. Help to provide industrial training to students and staff in specific areas identified from time to time.
3. Offer training programs for personnel from industries in areas identified by the industries
4. Help to provide placement assistance to the final year students and arrange campus interviews.
5. Conduct joint venture programs for members of MADITSSIA and others using resources available at the institute.
6. Conduct workshops and seminars both for the students and faculty of the institute to appraise the various technological advancement taken place in the present industrial scenario and
7. Identify any other of assistance and when needed and render assistance

OBJECTIVES

By working together for the mutual benefits, it is aimed that the following objectives can be fulfilled, thus making the technical education more purposeful and meaningful.

1. Work together in such a way that this partnership will be a role model to other institutes and industrial associations to follow.
2. Help mutually to grow in content, updating, management and skill training to enable the industries to concentrate on production and leave training to institutes.
3. Train necessary human resources both in industries and institute so that the updating programs can be made cost effective
4. Develop rapport between industries and institute to enable the institute to generate quality outputs and tailor made personnel for industry requirements.

TERMS OF REFERENCE

The Madurai District Tiny and Small Scale Industries Association(MADITSSIA) hereinafter called the ASSOCIATION and the S.I.T Pulloor, Kariapatty hereinafter called the INSTITUTION will arrange and offer training programs in the areas identified by both INSTITUTION and ASSOCIATION to the members of ASSOCIATION, faculty

and students of the INSTITUTION and other public and provide placement and other assistance and will enter into a MEMORANDUM OF UNDERSTANDING signed by the elected body of the ASSOCIATION and by the Chairman of the INSTITUTION with a written understanding with respect to identification of areas in which training to be given, identification of industries which provide placement, organizing, controlling and monitoring of various training programs and general policies developed as and when necessary for other activities, budgeting, accounting and sharing of proceeds in case of joint venture program and sustainability of the venture on a long term basis.

STEERING COMMITTEE

A steering committee will be constituted as under, representing the ASSOCIATION and INSTITUTION. This committee will function as per policy making body and all matters with regard to the objectives identified by both the parties will be approved or ratified as the case may be by this Committee. Detailed terms of reference for this committee will be formulated in a joint sitting. This committee will at least meet once in three months to discuss the various aspects of the areas identified. The constitution of the Steering Committee is as follows:

- | | |
|------------------|---------------------------|
| 1. Chairman | President
MADITSSIA |
| 2. Vice-Chairman | Principal
S.I.T |
| 3. Secretary | Mrs.S.P.Umayal
HOD-EEE |

The steering committee meeting will be held at S.I.T or in the City office at Madurai and MADITSSIA premises, Madurai alternately. The Secretary will convene the meeting and inform the members as and when required. The secretary will prepare the agenda of the meeting and one member will record the minutes of the meeting.

PROGRAMME DEVELOPMENT

The INSTITUTION will collect the list of industries discipline wise from the ASSOCIATION, which are ready to provide industrial training to students and staff and send them for training during semester holidays.

The members of the association will take part in the conference, seminars and workshops conducted by the Institution for exchange of information. The staff and students of the Institution will also take part in the conference, seminars and workshops conducted by the association.

The INSTITUTION will arrange industrial visit to the students and staff in selected industries of the ASSOCIATION and nearby medium and large-scale industries with the help of the ASSOCIATION.

The INSTITUTION will take necessary steps to conduct training program for the industrial personal in the areas identified by the industries by considering the resources and expertise available in the INSTITUTION. The steering committee will decide and take decisions in this regard.

The INSTITUTION and the ASSOCIATION shall periodically assess the needs and draw plans for the offering various joint venture programs to the outsiders also. The course may be delivered at the institute or outside.

To provide placement services to the students, the institute will contact the office bearers of the association and collect the placement opportunities from them. They will be requested to visit the institute to recruit the students. The institute will send data bank of eligible students every year to the office of the ASSOCIATION so as to contact them whenever necessary.

BUDGET AND OTHER FINANCIAL COMMITMENTS

There will be no financial or accommodation commitment to the association for the in-plant training and industrial visits of students.

The expenditure incurred for the conduct of the workshops, seminars and conferences for the students of the institute will be borne by the institute.

Conveyance and hospitality for industrial personnel coming for the campus interview to recruit students will be provided by the institute.

A nominal amount will be charged by the institute from the industrial personnel to meet out the training cost of the programs conducted by the institute to industrial personnel. This will be decided by the steering committee.

For each joint venture program to the outsiders, a detailed budget will be prepared and this will be approved by steering committee. Should there be any deviation in the budget, from the actual expenditure this should be placed before steering committee for ratification. A statement of Expenditure & Income in request of programs conducted shall be placed before the steering committee once in three months for approval and the sharing of proceeds is to take place only after the entire realization and settlement of bills of each program. Should there be any deficits in a program, it is borne by the Association/Institute, which conducts that program. The accounts for the program will be subjected to ratification by the steering committee as and which necessary.

COMPENSATION

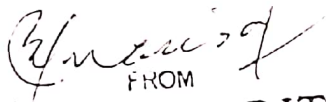

The resource persons will be paid compensation as per the budget provisions and also they will be paid traveling allowances as per the norms or provisions prescribed by the steering committee. In the event of these norms deviated, the same must be ratified by the steering committee.

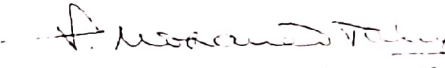

CONFLICT RESOLUTION

In the event of any conflict arising out of any misconception the steering committee shall have the power to resolve the same and decision made by the committee shall be final and binding to one and all connected with the issues

Innovative Idea Competition - SIT HACKATHON in Association with MADITSSIA

Meenakshi Sundaram <bmsapk@gmail.com>
To: info@maditssia.com

Sat, Sep 21, 2019 at 3:31 PM

Dear and Respected Sir/Madam,

Greetings from **SETHU INSTITUTE OF TECHNOLOGY(SIT)**. First, Our heartfelt congratulations to the new office bearers of **MADITSSIA** sworn on 19-09-19. Yesterday(20-09-19), We had a brief discussion with **MADITSSIA President Honourable Thiru B.Muruganatham and Vice President Honourable Thiru Rm.Lakshmi Narayanan** regarding to solve the technical problems in small scale industries through Innovative Idea Competition- **SIT HACKATHON** in association with **MADITSSIA** among our college students . In this discussion, President encouraged our proposal and invited us for next **Panel Chairmans meeting** to identify the problem statements in the industries. We are very much thankful for **MADITSSIA** and We kindly request you to arrange the meeting with **Panel Chairmans** for further discussion.

Thanks and Regards

Dr.B.MEENAKSHI SUNDARAM. M.E. Ph.D.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 01.07.2017, to 30.06.2022.

Sethu Institute of Technology, Pulloor, Kariapatti Viridhunagar-626115, the First Party represented here in by its Dr A.Senthilkumar.,M.E.,Ph.d Principal (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Kani Vilas Technology Services No.3 Kaveri 2nd Street, Parasakthi Nagar Madurai-625012, the Second Party, and represented herein by its Zonal / Divisional Head, P.Sasidharan Program manager, (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party') as

WHEREAS:

- A) First Party is a Higher Educational Institution named:
 - I. **Sethu Institute of technology**
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- E) – **Kani Vilas Technology Services** – , the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of - **SKILL DEVELOPMENT, OUTCOME BASED TRAININGS, PLACEMENT, R&D SERVICES AND RELATED SERVICES** - and related fields
- F) – **Kani Vilas Technology Services** –, the Second Party is promoted KVT Group; KANI VILAS TECHNOLOGY SERVICES (KV TECH) is leading information technology Company that provides highly qualitative, timely delivered and cost-effective IT services to wide variety of clients.
- G) KANI VILAS TECHNOLOGY SERVICES offers a wide range of creative solutions that are designed to meet specific business needs.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites

for the hands-on training of the learners enrolled with the First Party.

- 2.4 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of - - **Application Maintenance and Support** - - .
- 2.5 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.7 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.8 **Placement of Trained Students:** Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for at least 75% of the students. The Second Party will itself absorb at least 75 percentage of the trained students.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein.
- 2.10 There is no financial commitment on the part of the **Sethu Institute of technology**, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Kani Vilas Technology Services**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **Kani Vilas Technology Services**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

CLAUSE 5
RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

First Party

Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Madurai**.

Memorandum of Understanding

This Memorandum of Understanding entered into on 27th, February, 2017 at SETHU INSTITUTE OF TECHNOLOGY, Madurai between DHARMARATHINA TEXTILE (P) LTD., ARUPPUKOTTAI- 625 107 for Training, Placement and Technical Support to upgrade the Students technical skills, which caters to the demand for training in Educational Institutes, Industries and Corporate Houses, hereinafter referred to as DRTP, ARUPPUKOTTAI located at No. 3/1181, Kattangudi Minibus Road, Kovilangudi, Aruppukottai- 625 107, Tamil Nadu, represented by the Joint Managing Director of DRTP, Aruppukottai unless repugnant to the content and include its successors and assigns of the ONE PART. Whenever the word "DRTP" comes in this MOU it is DHARMARATHINA TEXTILE (P) LTD., ARUPPUKOTTAI.

Sethu Institute of Technology is an Educational Institute, offering various Engineering degree courses with all modern facilities functioning at Pulloor, Virudunagar (Dt.) TN since 1995. Sethu Institute of Technology is represented herein by Dr. P. Seensikannan, Dean & Head, Department of Mechanical Engineering, Sethu Institute of Technology for Sethu Institute of Technology

,hereinafter referred to as SIT which expression shall unless repugnant to the context mean and include its successors and assigns of the OTHER PART.

WHEREAS

SIT has decided to recognize DRTPL to conduct on campus drive whenever requirement arises from their end. In case student quality is not up to the mark they will conduct special training at college campus on mutual agreed terms.

The parties have had preliminary discussions in this matter and have ascertained areas of broad consensus. The parties now, have therefore, agreed to enter in writing these areas of consensus, under a Memorandum of Understanding.

Now this Memorandum of Understanding witnesses that:

DRTPL shall offer the following to SIT, Pulloor, Madurai (DT), TN

Technical support to the students to upgrade their technical skills in the area of,

- Automotive components
- Automation

1.0 R & D, CONSULTANCY AND TRAINING PROGRAMME ;

- DRTPL and SIT will exchange the R&D and consultancy activities
- The training for the courses if needed shall be conducted by DRTPL
- The course hand out shall be provided by DRTPL and no part of it can be reproduced, distributed or transmitted in any form or by any means, including photocopying, recording, or other electronic or mechanical methods without the prior written permission of DRTPL.
- DRTPL will use our facilities and laboratories for conducting R&D activities.
- SIT will provide training for your employees.
- Organize joint seminars, meetings, short-term training programmes, etc. for students, employees for both organizations, and public in order to create awareness.
- DRTPL will offer guest lecture to our students and faculty members.
