MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) entered on the 25th day of February 2020.

By and Between

M-KUBE QS & CONTRACTORS LLP having its Registered office at First Floor, T-117 Ellis Nagar, Last Bus Stop, Madurai-625016 (hereinafter referred as "**M-KUBE CONTRACTORS**" for the sake of brevity) and represented by its Designated Partner, **Mr. K. MOHAMMED ASIF** (which expression shall mean and include its successors in office and assigns)

And

Sethu Institute of Technology, having its CAMPUS at (Pulloor, Kariapatti - 626 115, Virudhunagar District) and represented by its **FOUNDER & CHAIRMAN, Mr. S. MOHAMED JALEEL**, (which expression shall mean and include its successors in office and assigns)

Asif K.

S. Mohamed Jaleel

Objectives:

M-KUBE CONTRACTORS will establish their office at Incubation Center in Sethu Institute of Technology,

- To provide employable skills to the students of Sethu Institute of Technology.
- Make the student aware of the latest tools and techniques in order to keep them industry ready at the end of their training.
- Offer the Internship program with stiffend and Onsite training programs at an affordable price to the students of Sethu Institute of Technology.
- To build and improve the confidence level of the students to face the challenges of real time
- Increase the employability of the students and upsurging their placement probability.

This Memorandum of Understanding is to conduct a Unique, Step – By – Step, Systematic, and Employable Skills Development Program for the students of *Sethu Institute of Technology* towards achieving the objective of maximizing the employable opportunities for students of *Sethu Institute of Technology*.

This Memorandum of Understanding states the terms and conditions under which the Incubation Center acts and other Trainings shall be conducted by M-KUBE CONTRACTORS through its Ellis Nagar, Madurai branch at the premises of *Sethu Institute of Technology* and lists herein the respective responsibilities of both parties.

PREAMBLE:

To get a student employable and placed in an organization; over and above the subject knowledge he / she is expected to have the following:

- Strong Fundamental Engineering Knowledge
- Tacit Knowledge (Site / Practical).

While Subject Knowledge would be provided by *Sethu Institute of Technology*, M-KUBE CONTRACTORS will equip the students with skills to meet current industrial needs.

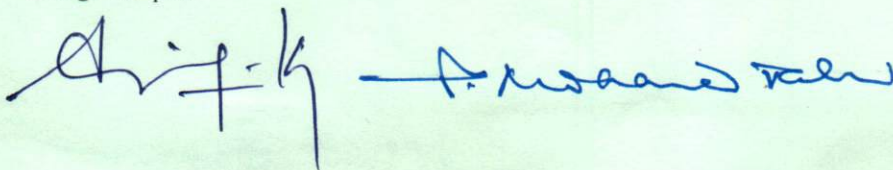

On one hand, thousands of unemployed Engineering graduates are not finding suitable jobs, while on the other hand, Industry requires millions of young minds at all levels but are unable to find the right candidate. This is because of the skill gap that exists between the student and industry requirements. This skill gap is sought to be minimized for the students of *Sethu Institute of Technology* by facilitating them to acquire the appropriate and relevant skills at *Sethu Institute of Technology* itself through this program.

M-KUBE CONTRACTORS, Madurai Shall Provide

- M-KUBE CONTRACTORS will establish their office at incubation center.
- At the time of Onsite Training Program, M-KUBE CONTRACTORS will provide reference and work books to students as part of the course.
- Periodical assessment of the progress of students for their further improvements.
- 'Certificate of Completion' will be provided to the student who successfully completes the training program.
- At the time of Onsite Training program, M-KUBE CONTRACTORS will select the best among the student and title them as "**M-KUBE Ambassador**" and offer them an intership program, to work on their live projects.
- In M-KUBE CONTRACTORS website, The detail of this MOU will be updated and a "link to *Sethu Institute of Technology* website" will be provided.

Sethu Institute of technology Shall Provide:

- The Incubation Center in the size of 20'-0" X 20'-0" for locating M-KUBE CONTRACTORS office inside the college campus.

- The incubation centre should encompass of Five number of computer systems and other required stationaries like white board, markers.
- The Schedule with the classes for the training program
- The supports to ensure all students who have signed to attend the Internship programs scheduled for them.
- The relevant software installed in the computer systems.
- Disciplinary support for the smooth conduct and timely completion of the entire course.
- Minimum One Year to Two Years of Internship Training time.
- At the time Onsite Training, Sethu Institute of Technology has to provide a minimum of 2000 Sqft of land, which may vary depending upon students strength for practicing of site activities.
- Provide all support to M-KUBE CONTRACTORS in the marketing initiatives undertaken by M-KUBE CONTRACTORS to enroll students in Onsite Training program and internship offered by M-KUBE CONTRACTORS. Sethu Institute of Technology will provide all infrastructural facilities for the marketing initiatives undertaken by M-KUBE CONTRACTORS.

INTERNS:

The participants would be the Students of *Sethu Institute of Technology* from Civil Engineering stream from 5th to the 8th Semesters .

INTERNSHIP AND WORKSHOPS:

M-KUBE CONTRACTORS in consultation with *Sethu Institute of Technology* shall finalize the Internship programs with stipend and Onsite Program with fees for the skills development of students. These will be reviewed every year and suitable changes, if required, will be incorporated. As the requirement of each course is different, courses and fees have been worked out separately for each branch.

INTERNSHIP

The Internship Program will conducted during the days and timings provided by M-KUBE CONTRACTORS. The Intern will be selected, according to their theoretical and practical sound through interview and training program. The Intern selected for intership program has to maintain proper attandance and has to report to their respective incharge. The Intern has to obey the terms and conditions of M-KUBE CONTRACTORS. The Intership program timeline may be of one or two year. M-KUBE will be provide stipend for the intern. The intern should be ready to work any where in India.

ONSITE TRAINING PROGRAM

The Onsite programs will be conducted during the days and timings provided by *Sethu Institute of Technology*. The students will be divided into batches, depending on the total strength. The programs will be conducted according to the Time Table drawn up with the mutual consent of M-KUBE CONTRACTORS and *Sethu Institute of Technology*. Utmost care will be taken to frame the time table in such a way that it does not coincide with college exams,enabling the students to complete their training ahead of the exams. M-KUBE CONTRACTORS will not conduct any classes during the time of exams. In case of any change in training schedule the same will be intimated to the Program Coordinator of *Sethu Institute of Technology*. Similarly, if *Sethu Institute of Technology* wants a change in training schedule the same may be communicated to the Programme Coordinator of M-KUBE CONTRACTOR. In either of the case, a revised training schedule has to be made by the mutual concern of Programme Coordinators of both M-KUBE CONTRACTORS & *Sethu Institute of Technology* ,students must be informed about the change in training schedule by means of suitable media (emails/posters/circulars/notice board displays). Enrolling into this Program does not guarantee for any job, it is only to train the student and to keep them industry ready.

TESTING & EXPERIMENTS:

For Testing and other experiments M-Kube CONTRACTORS will utilize the Civil engineering laboratory at sethu institute of technology with 50% and 25% of consession in their price for NGO and other commercial Projects respectively. The test will be carried out with interns and report has to certified by authorized consultant at sethu institute of technology.

Programme Coordinator

The Founder & Chairman of *Sethu Institute of Technology* shall appoint a "Programme Coordinator" from the Civil Engineering Department for the duration of the program, who shall liaise with M-KUBE CONTRACTORS and make the training process learner-friendly and effective. M-KUBE CONTRACTORS shall work in close relationship with

Arif. H. *A. Subash Reddy*

the Programme Coordinator, who in-turn shall keep a close touch with the students. In the event of any difference of opinion between M-KUBE CONTRACTORS and the Programme Coordinator, the matter should be referred to the Founder & Chairman of *Sethu Institute of Technology*, whose decision thereon shall be final and binding on both the parties.

PROGRAM COMPLETION:

The Intern and the participant who completed their program successfully will be awarded with "Certificate & Rewards"

RECRUITMENT:

Mkuba Contractors also recruit Student of Sethu institute of Technology as per their recruitment policy. College may assist with recruitment, enrollment and retention upon request, for those students who are qualified and wish to enroll in MKUBE Contractors.

VALIDITY

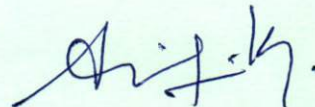

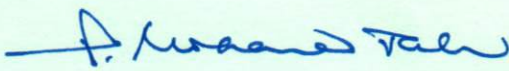

Both *Sethu Institute of Technology* and M-KUBE CONTRACTORS shall have the rights to terminate this MOU by providing **THREE** months notice in writing on their respective letter head only after a minimum period of 4 years. Termination of this MoU for whatever reason shall be without prejudice to the rights of either party and of the students and the ongoing academic programmes.

This Memorandum of Understanding will be valid for a period of **4** years.

This Memorandum of Understanding shall come into effect from 27th February 2020.

This MoU is made on this 15th day of Mar 2021

By and between

Ravins Tech and Goo Private Limited

Tech and Goo (ToG), Division of Ravins Tech and Goo Private Limited ,

Ravins Tech and Goo Private Limited , a Private limited company incorporated under the provisions of the Companies Act, 2013 with its registered office at 56/1 Nagu Nagar 1st street , Bethaniyapuram, Madurai – 625 016 , India and represented through its authorized signatory **Mr.N.Ravin** resident of 56/1 Nagu Nagar 1st street , Bethaniyapuram, Madurai – 625 016.

And

SETHU INSTITUTE OF TECHNOLOGY , a educational institution , having its Instution at Pulloor, Kariapatti – 626 115, Virudhunagar – District, Tamilnadu, INDIA. , and represented through its authorized signatory Dr.A.SENTHIL KUMAR, PRINCIPAL, SETHU INSTITUTE OF TECHNOLOGY.

The intent of this Memorandum of Understanding (MOU) between the **Sethu Institute Of Technology** & "**Ravins Tech and Goo Private Limited**" is to outline the way in which the two parties will collaborate to strengthen the start-up ecosystem

The MoU will furnish the following objective:

- The ToG desires to provide boost to entrepreneurial activity among youth.
- The ToG has identified the need for creating an enabling environment for fostering the Startup activities with its partner incubators.

The initial scope of this alliance will cover activities related to, but not limited to, the areas outlined below.

Terms of Partnership ToG shall:

Leverage its Logo with the Incubator for events, workshops, boot camps, & pitching events etc. organised by the incubator.

Participate in the events as knowledge sharing partner for Startups / Entrepreneurs/ Incubators via its schemes & policies

Help in reaching out to the other start-ups via its network by sending emails to our registered Start-ups/ Incubators and collaborating, organizations working for fostering start-up

Display the icon, website link, name & details of the Incubator on Department's website.

Sethu Institute Of Technology shall:

1. Support in providing information regarding the incubator (ex. Year of establishment, Organization structure, utilization etc.)
2. Support in providing information regarding the incubatee (ex. Incubated Start-ups, Events, founder details etc.)
- 3.

A. Physical Incubators shall provide -

- I. Workspace, machinery & infrastructure
- II. Mentoring, professional & managerial assistance
- III. A pool of shared support services (business, legal, others etc.)

B. The virtual incubators shall provide -

- I. Startup Study Material: in-depth e-Hand books on: Startup Ideas, Technology and Project Reports etc.
- II. **Online Startup Mentorship:** Students and Startups can ask questions to online expert mentors anytime.
- III. Organize online workshops and pitching sessions on regular basis.
- IV. Should have **versatile portal** for enabling **e-learning** by obtaining individual or institutional membership.

Validity of the relationship

The framework of the agreement would be initially valid for a period of 1 year. This agreement can be extended by means of an addendum referring to this agreement as the base agreement to set the revised period and terms if any.

Termination clause

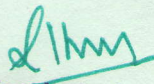

1. If the incubator decides to terminate its operations before the aforementioned 1 year validity from the date of signing of the MoU, the incubator shall be required to notify the Nodal Agency within 2 weeks of its closure.
2. During any visits to the incubator, if it is found to be not functional, the Nodal Agency shall have the right to terminate the MoU after due notice of 2 weeks.
3. Additionally, the MOU can be terminated from either end, with 30-days prior notice based on mutual consensus on completion of pending engagements and fulfillment of all commercial obligations.

Non-compete / Non-conflict / Engagement protocols

Sethu Institute of Technology and **Tech and Goo** agree to follow an engagement protocol that is ethical and professional during the delivery of this MOU. None of the incubator will engage itself into activities those are conflicting to government policies/rules and regulations.

IN WITNESS WHEREOF the parties have executed and delivered this MOU in two original copies in English language as at the day and year first above written at **Madurai** .
