INTRODUCTION

DEPARTMENT OF PHYSICAL EDUCATION AND SPORTS

Page | 5

Sethu Institute of Technology is a premier institution that is committed in providing quality education to masses. The physical education department facilitates young men and women in pursuing their dreams and goals in sports and athletic endeavors. There is a dedicated sports village that meets the various needs of students. There is a 400m track with a football field in the middle. A separate football field is located right across for practice sessions. The sports village also has a basketball court alongside the court there is also a well levelled hockey pitch. The department provides the students with all the necessary equipment for track and field training. There are gymnasium for men and women with the latest fitness equipment both for aerobic and anaerobic exercise. The mission of the physical education department is to promote holistic development in the lives of students. Such a development is impossible without the development of the physical self.

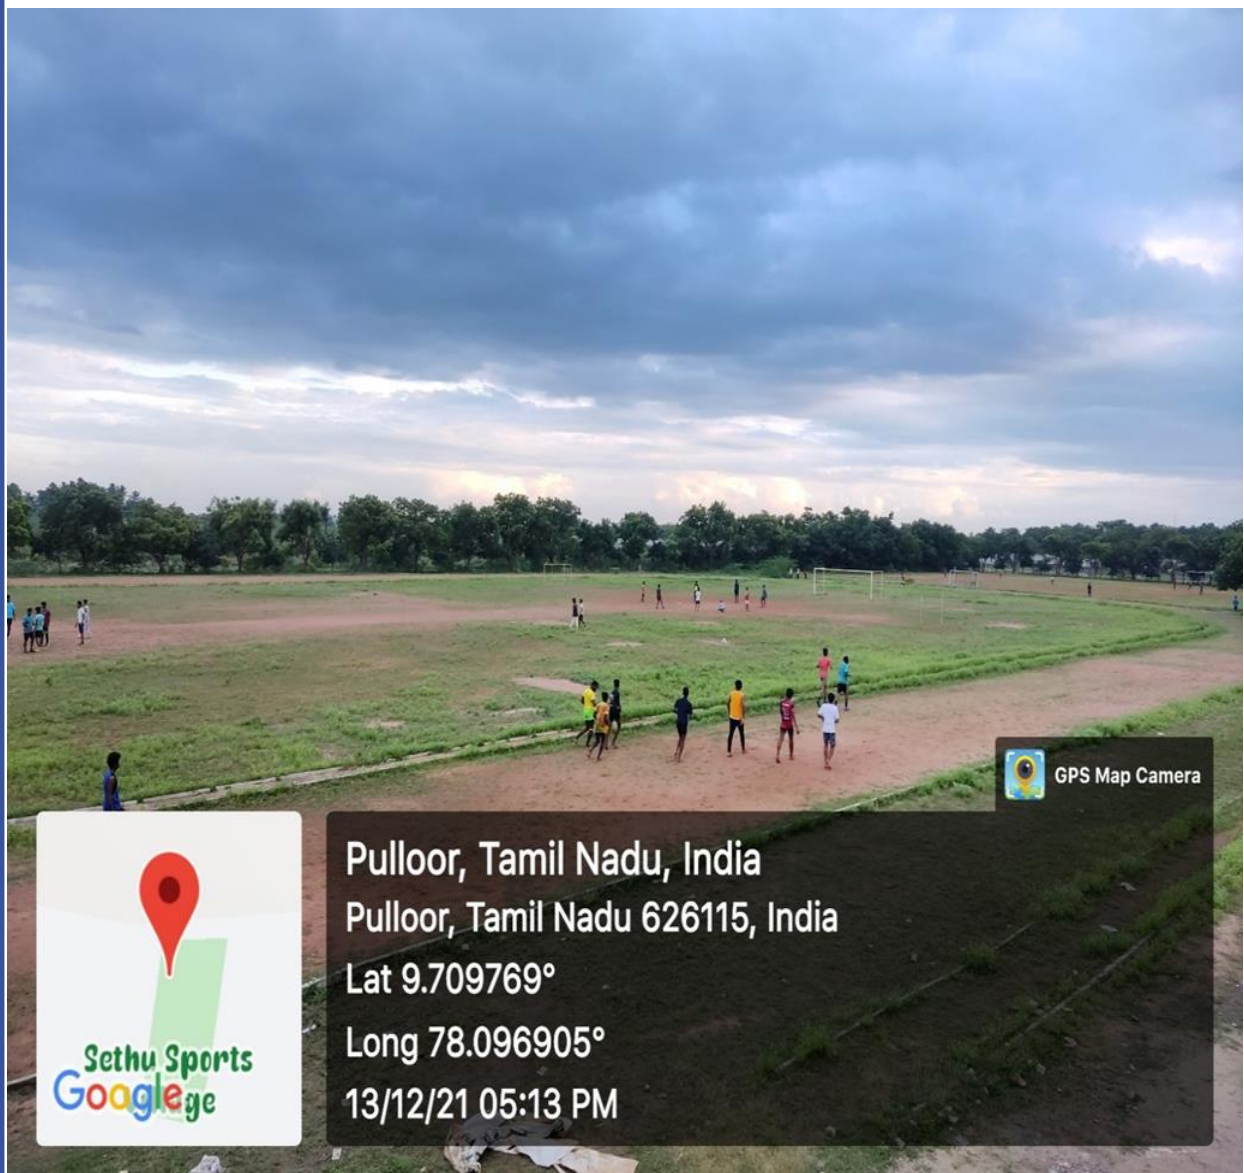

Proper sport specific strength conditioning and endurance training is given to all the athletes. Students are also educated about injury management and maintaining clean diet regiments. Students participate in nationals, state, district and zonal competitions either in team or individual sports events.

OBJECTIVES

The mission of the physical education department of Sethu Institute of Technology is to provide holistic development in individual and team sports for the young and aspiring athletes.

Page | 6

It also provides necessary equipment, training and relevant educational input for students to excel in their respective endeavors of interest.
