MINUTES OF PROGRAM ASSESSMENT COMMITTEE MEETING -I

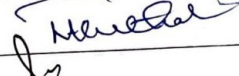

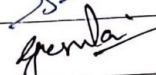

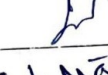

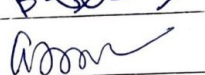

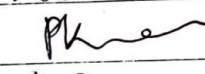

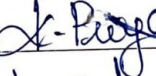

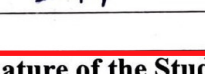

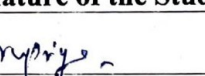

Academic Year : 2017– 2018(EVEN)
Date : 05.03.2018
Time : 12.30 P.M
Venue : CSE – HOD Room

The HOD welcomed everyone and discussed the following matters.

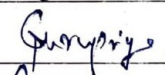

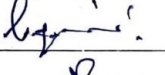

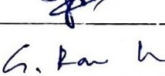

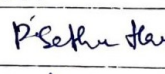

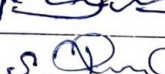

- The general information about PAC and its importance in syllabus and curriculum development was explained in detail.
- The proposal of adding 5 credits when a student clears the GATE exam, submitted to principal was informed.
- The following feedback was suggested by the members regarding the courses
 - a. Rather than conducting in theoretical manner, the one credit courses can be handled as hands on.
 - b. More than one hour can be allotted for the Python one credit course and also suggested to include Python course as a core course.
 - c. Technical quiz can be conducted through MOODLE.
 - d. C training can be conducted in 6th semester.
 - e. Online editors can be provided for training lab classes.
 - f. Advanced level in C/ C++ course can be conducted on Saturdays.
 - g. More practical exposure on Micro Processor and Micro Controller course can be given

HOD concluded the meeting by saying that the suggestions given will be considered and will convey the action taken in the next meet.

15UIT304 - Object Oriented Programming	
3	<p><u>Batch 2014-2018</u></p> <ul style="list-style-type: none"> ✓ The syllabus for the subject was sufficient, but the students should always be in touch with the subject, so that they can face any problem in placement tests /placement Interviews. <p><u>Batch 2015-2019</u></p> <ul style="list-style-type: none"> ✓ This subject is basically easy but due to shortage of time, the last unit (unit 5) is rushed up to complete the portions. ✓ The Students suggested that, the subject must be balanced simultaneously by allotting extra sessions for laboratory to improve logical thinking and coding excellence. <p><u>Batch 2016-2020</u></p> <ul style="list-style-type: none"> ✓ End semester question paper was only at understand level ✓ Student needed to spend extra time in the Lab for learning the subject thoroughly. <p><u>Faculty Discussion</u></p> <p>Dr.S.Jenicka suggested an alternative plan to improve the programming skills:</p> <ul style="list-style-type: none"> ✓ NPTEL course 'Programming in C' has been designed to improve the coding and technical skills of students. Hence the same can be merged with the regular lab to improve the student's coding and technical skills. <p>Mrs. C.Parameswari & Mr. S.V.K.Muthukumar</p> <ul style="list-style-type: none"> ✓ Informed that NPTEL Course "Programming in C", will take 12 weeks duration and hence it will result in shortage of time to complete the regular lab exercises. ✓ However, they suggested that our Department faculty can give the NPTEL course assignment as the regular assignment Question for students.
	<ul style="list-style-type: none"> ✓ HoD suggested to have an intermediary test during lab hours and the marks secured should be taken for assessment. ✓ Similarly, HoD advised the faculty handling laboratory session to put extra efforts to improve the coding and debugging skills of students. ✓ HoD advised the class advisors to discuss the issue with the faculty, who is handling the corresponding semester lab for allotting extra lab sessions.

15UIT305 - Operating Systems		
4	<p><u>Batch 2014-2018</u></p> <ul style="list-style-type: none"> ✓ Easy to learn and with respect to the content, syllabus was vast. ✓ From exam point of view, it was harder to concentrate on all the topics. <p><u>Batch 2015-2019</u></p> <ul style="list-style-type: none"> ✓ Informed that the level of the end semester question paper varies from the level of periodical Test. ✓ For periodical tests, Questions were of analyse and apply levels whereas in end semester the questions were of “understand level”. <p><u>Batch 2016-2020</u></p> <ul style="list-style-type: none"> ✓ The contents of the syllabus was vast and due to the time constraints, the last unit was rushed up. ✓ They also suggested to move the subject to the next semester. <p><u>Faculty Discussion</u></p> <ul style="list-style-type: none"> ✓ Mrs.G. Rajalakshmi, The 3rd unit was vast. Due to the time constraints, the focus was on teaching important topics. ✓ Mrs.C.Parameswari and Mrs. S.Rathnamala Reminded that the syllabus was already refined. 	<ul style="list-style-type: none"> ✓ HoD assured, that the upcoming batches will not face the issues regarding the CO mismatch in Question Papers.
15UIT306 – Analog and Digital Communication		
5	<p><u>Batch 2014-2018</u></p> <ul style="list-style-type: none"> ✓ The concept was tough to understand, because it was based on ‘Signal Transformation’ which is basically an ECE based paper. ✓ Similarly ADC has no correlation with the second semester subject DPSD. <p><u>*(Digital Principal and Signal Design)*</u></p> <p><u>Batch 2015-2019</u></p> <ul style="list-style-type: none"> ✓ Suggested an idea to refine the syllabus of 2nd semester paper ‘DPSD’ and insisted to include some topics from ‘ADC’. Then it will be easy for the students to understand the subject. 	<ul style="list-style-type: none"> ✓ HoD assured that these suggestions will be discussed with the faculty members and corresponding action will be taken for Next Regulation.

	<p>Faculty Discussion</p> <ul style="list-style-type: none"> ✓ Mrs.G. Rajalakshmi reminded about the past subject 'ICT'. If it had been available, it would give some idea about the concepts in ADC. **ICT - Information and Coding Theory ** ✓ Mr. S.V.K.Muthukumar informed that the ADC subject was vast and it also needs some refinement in syllabus. ✓ Mrs.C.Parameswari : suggested to include the ECE based papers like microprocessor and microcontroller, wireless communication and a hardware based subject which together can give some knowledge in ADC and also some insight into the inner mechanism of the computer. 	
6	<p>15UIT307 - Object Oriented Programming Laboratory 15UIT308 - Data Structures and Algorithms Laboratory 15UIT309 - Operating Systems Laboratory</p>	
	<p>Regarding DS and OS there were no issues</p> <p>Suggestion related to OOP Batch 2014-2018&Batch 2015-2019</p> <ul style="list-style-type: none"> ✓ The lab was interesting but the students do not get time to try the second half of exercises. ✓ Batch 2016-2020 <p>No Remarks</p> <p>Faculty Discussion Mrs.G. Rajalakshmi and Mrs. S.Rathnamala</p> <ul style="list-style-type: none"> ✓ Informed that the concepts were easy but the students felt it hard to code the scheduling algorithms. ✓ The first half contains only basic Linux commands and Second half contains the major part: C codes and the scheduling algorithms. <p>Mrs.C.Parameswari</p> <ul style="list-style-type: none"> ✓ Advised the students to learn from the basic and revise their knowledge in programming language every now and then. ✓ The students are capable but they do not know how to utilize the time <p>Dr.S.Jenicka</p> <ul style="list-style-type: none"> ✓ Suggested an idea to have a "Group Discussion" (only for the interested students). They can discuss and learn more about the scheduling algorithms. 	<ul style="list-style-type: none"> ✓ HoD informed that the course teacher for the next batch should modify the lab session to meet the needs of the students. ✓ As Faculty, Dr.S.Jenicka suggested the course teacher for the next batch should plan GD for enhancing the lab session before the semester starts. ✓ The drafted plan must be discussed with the Head of the department.

The Chairperson discussed the NAAC SSR Criterion 1 - Curricular Aspects according to the Revised Accreditation format

- **Course categorization in R2015**

Courses were identified having focus on the following categories

(i) Employability (ii) Entrepreneurship

i) Employability enhanced courses

- 15UGS531- Soft Skills and Communication Lab
- 15UEE601- Advanced Electric Drives and Control
- 15UEE602- Protection and Switch Gear
- 15UEE608- Technical Project
- 15UEE702- Power System Operation and Control
- 15UEE703- Electric Energy Utilization
- 15UEE804- Project Work

(ii) Entrepreneurship enhanced courses

- 15UEN101 - Technical English
- 15UEN201 - Business English & Presentation Skills
- 15UEE504 - Electrical Machine Design
- 15UGS531 - Soft Skills & Communication Lab
- 15UEE608 - Technical Project
- 15UME701 - Project Management & Finance
- 15UME801 - Professional Ethics

The following courses are identified as inter-disciplinary courses

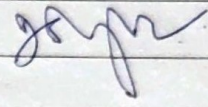

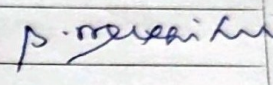

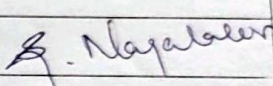

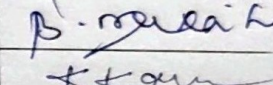

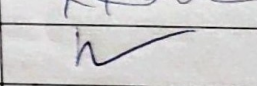

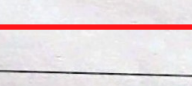

- Smart Buildings ((EEE & CIVIL)
- Electric Vehicles (EEE & MECH)
- Electrical Hazards and Safety in Hospitals (EEE & BME)

• **Identification of new courses**

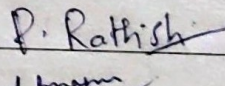

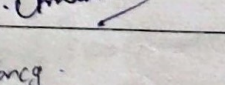

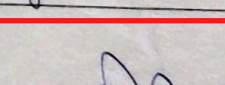

It was decided to change the fourth and fifth units of the course "Electric Energy Utilization"

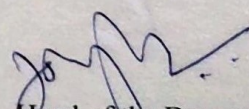

• **Collection of Feedback from Stakeholders**

It was decided to collect the feedback from parents and students regarding R2015

Agenda

- Suggestions for curriculum(R2015) and syllabi
- Any other matter

Minutes of the meeting:

The Program Assessment Committee meeting of 2017-2018 ODD semester was held on 01/11/17 at 1:00 p.m in CE 201 of Civil Engineering Department. The Chairperson of Program Assessment Committee Dr.R.Kumutha greeted all the members of the committee and motivated all the members to provide their ideas.

Suggestions for curriculum (R2015) and syllabi

The following are the various suggestions given by the faculty members and the students in R2015 curriculum.

Suggestions given by Faculty members:

- Mr.M.Krishna Kumar suggested to have a subject named "Advanced Surveying" for the II years so that it will be helpful for the students to gain knowledge on the new technologies and the Chairperson informed that there is a course named "15UCE903-Modern Surveying" in R2015 curriculum.
- Ms.P.Sasirekha suggested that the subject 15UCE504-Environmental Engineering can be splitted into two subjects 'Water Supply Engineering and Waste Water Engineering' since the syllabus was vast.
- Dr.G.Balamurugan suggested that the topic 'Principle of Virtual Work' to be removed from 15UCE403-Mechanics of Solids II and that topic can be added to 15UCE501-Structural Analysis I.

Suggestions given by the Students:

- S.Jeya Gowri of IV 'B' suggested to include software such as AUTOCAD, STAADPRO Revit Architecture in the R2015 curriculum.
- Ahamed Bhadusha of III 'A' suggested to include subjects related to fieldwork so that can help to get practical knowledge.

- J.Jenifer Shaline of III 'B' suggested to reduce the syllabus of 15UCE503- Design of Reinforced Concrete Elements since the syllabus is heavy.
- B. Arun Kumar of III 'A' suggested that the one credit course can be conducted for all the students.

Any other matter

- The HOD reminded all the students regarding the benefits of credit replacement courses, Mandatory courses, Self Learning courses, Internship, GATE and asked the students to make use of the courses.

The first class committee meeting was held on 19.07.2017 in the Civil Engineering Department Seminar Hall and the following matters were discussed as per the agenda. The Chairperson and the HOD greeted all the students and the faculty members in the meeting.

Agenda 1: Details of regulations-weightages for assessment

- The Chair person informed the class advisor to sendmail regarding curriculum and syllabus for 2015 regulation to the students through group mail id.

- The chair person briefed about the degree program offered with total course credits of 173 for 2015 regulation.
- The Chair person asked the students to tell about the weightages for internal assessment. (40 for the theory courses and 50 for practical)
- The Chair person informed the students to secure not less than 50% of total marks (Continuous internal assessment + End semester examination) prescribed for the courses with a minimum of 45% marks prescribed for the end semester examination in both theory and practical courses shall be declared to have passed the examination.

The apportionment of continuous internal assessment marks for theory courses shall be as follows:

S.No	Component	Maximum Marks
1.	Tests	25
2.	Quiz	5
3.	Assignment / Seminar	5
4.	Attendance	5*
Total		40

The apportionment of continuous internal assessment marks for Practical Courses shall be as follows:

S.No	Component	Maximum Marks
1.	Record (conduct of experiment, observation and result in regular class work)	20
2.	Viva	5
3.	Model examination	20
4.	Attendance	5*
Total		50

* 5 Marks for attendance shall be awarded as given below

76% to 80% of attendance - 1mark
 81% to 85% of attendance - 2marks
 86% to 90% of attendance - 3marks
 91% to 95% of attendance - 4marks
 96% to 100% of attendance - 5marks

- The Chair person instructed students to attend all classes and secure 100 % of attendance and to have atleast a minimum of 75% attendance in each course registered by the student to attend in particular end semester examination.
- The Chairperson informed the students about the End Semester and Periodical Test Question Pattern.

	End Semester	Periodical Test
Problem oriented Subjects	1 mark = 5 Questions	1 mark = 3 Questions
	3 mark = 5 Questions	3 mark = 5 Questions
	16 mark = 5 Questions	16 mark = 2 Questions
Theory Subjects	1 mark = 10 Questions	1 mark = 6 Questions
	2 mark = 5 Questions	2 mark = 6 Questions
	16 mark = 5 Questions	16 mark = 2 Questions

Agenda 2: Academic Schedule

- The schedule of Periodical tests was informed to the students by the Chair person.

Name of the test	Portions	Duration
Periodical Test I	One unit	31.07.2017 to 07.08.2017
Periodical Test II	Two units	13.09.2017 to 20.09.2017
Periodical Test III	Two units	09.10.2017 to 14.10.2017

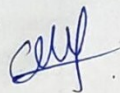

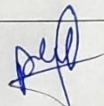

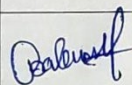

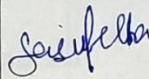

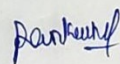

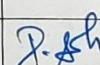

- The tentative dates for Practical and Theory end semester exams were informed to the students by the Chair person.

Agenda III: Periodical Test Results

- The results of Periodical tests were discussed.
- It is found that more students have failed in Object Oriented Programming and Data Structures, Biochemistry and Human Anatomy and Physiology
- It is proposed to conduct coaching classes for the above courses and provide question banks.

Agenda IV: Identification of slow learners

- The list of slow learners identified by the Course Instructors based on the performance in the Periodical tests was discussed

Agenda V: Remedial measures for the slow learners

- The course instructors decided to conduct class test for their subjects
- It is decided to conduct coaching class for the slow learners on Saturdays

Agenda VI: Co-curricular & Extracurricular Activities

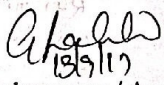

- Students were motivated to participate in seminars, workshops, conferences etc. conducted by other institutions also.

Agenda VII: General Amenities

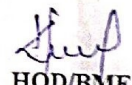

- The latches in the first floor girls rest room of EIE Block needed to be fitted.

Agenda VIII: Others

- Students are advised to go to their classes on time especially for the laboratory classes.
- Students are instructed to maintain their minimum attendance percentage.

The first class committee meeting was held on 12.07.2017 in the Agri Engineering Department Hod Room and the following details were discussed as per the agenda. The Chairperson addressed all the students and the faculty members in the meeting.

Agenda 1: Details of regulations-weightages for assessment

- The Chair person informed the students about the weightages for internal assessment. (40 for the theory courses and 50 for practical)
- The Chair person informed the students to secure not less than 50% of total marks (Continuous internal assessment + End semester examination) prescribed for the courses with a minimum of 45% marks prescribed for the end semester examination in both theory and practical courses shall be declared to have passed the examination.

The apportionment of continuous internal assessment marks for theory courses shall be as follows:

S.No	Component	Maximum Marks
1.	Tests	25
2.	Quiz	5
3.	Assignment / Seminar	5
4.	Attendance	5*
Total		40

The apportionment of continuous internal assessment marks for Practical Course shall be as follows:

S.No	Component	Maximum Marks
1.	Record (conduct of experiment, observation and result in regular class work)	20
2.	Viva	5
3.	Model examination	20
4.	Attendance	5
Total		50

Agenda 2: Academic Schedule

- The schedule of Periodical tests was informed to the students by the Chair person.

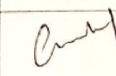

Name of the test	Portions	Duration
Periodical Test I	One unit	16.08.2017 to 22.08.2017

DATE: 28.06.17

The Chairperson welcomed the Department Advisory Board members and made a presentation on the Growth and Development of the department, which consists of the following

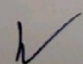

- Infrastructural development of the Department
- Faculty Competency
- Autonomous Curriculum
- Teaching Learning Process and Academic Progress
- Research and Development Activities of the Department
- Consultancy and Extension Activities
- Industry Linkages
- Co-curricular and Extra-curricular activities of the students
- Best Practices

The following points were discussed:

1. Vision, Mission, PO and PEO of our department were presented
2. Draft Department Mission statement was presented and the revised statement was approved by the members

Draft Mission Statements	Revised Mission statements based on the suggestion by the DAB members
Providing comprehensive and value based education in Electrical and Electronics engineering and related fields to meet intellectual, ethical and career challenges	Providing comprehensive and value based education in Electrical and Electronics engineering and related fields to meet intellectual, ethical and career challenges
Providing state-of- the-art infrastructure and resources to promote teaching-learning and research activities	Providing state-of- the-art infrastructure and resources to promote teaching-learning and research activities

5. Feedback forms from stakeholders were analyzed with the DAB members.
6. **Dr.S. Kalyani** suggested the following:
 - PO should be as same as that of the NBA attributes.
 - Roadmap may be prepared for the department future plans.
 - Student project may be assessed through the Conference and Journal publications.
 - IOT for Electrical Applications may be offered as Open elective.
7. **Mr.S Dhanasekaran (Industrialist)** suggested the following:
 - Variable Frequency Drives (VFD) may be offered as industry oriented Course.
 - Mini Project may be started from Fourth semester.
8. **Mr. S. Muthumohamed (Parent)** suggested the following:
 - Mini Project may be started from Fourth semester.
9. **Mr. P. Maharajan (Alumni)** suggested the following:
 - Electrical CAD may be included in Curriculum.
