- Dr.G.D.Sivakumar, Head of the department, welcomed and thanked everyone for attending the Program assessment committee meeting.
- The HOD briefed about the previous PAC meeting minutes.
- Dr. M. Mahendran, Staff Engineer, GE Aviation, reviewed R2015 curriculum & syllabus and has given the following suggestions for framing New Regulations:
 - Additive Manufacturing may be added as a professional elective full credit course. Currently the additive syllabus is in smart manufacturing R2015, but I suggest including as a separate course in R2019 curriculum.
 - Thermal Turbo machines may be included as a professional elective. Even though it is the part of fluid mechanics course, I suggest including as a separate course in R2019 will provide the knowledge of axial and radial machine design.
- Mr. D. Dhanushkodi Managing Director, Sun Pressing (P) Ltd suggested to include the course Non – Destructive Testing (NDT) in R2019 curriculum, which plays a vital role to assure safety and reliability and also fetch good jobs in that area.
- PAC members reviewed the PO attainment of the last three batches (2018, 2017 and 2016) and set the same target level as discussed in the previous PAC meeting on 10.06.2015 for the batch 2019 as follows.

Program Outcomes	2012- 2016	2013-2017	2014-2018	Target
1	76	79	78	75
2	76	78	76	
3	75	78	76	
4	79	82	77	
5	82	82	80	
6	75	83	79	78
7	79	81	77	
8	81	84	79	
9	84	84	82	
10	81	86	83	
11	80	83	78	
12	75	82	78	
PSO 1	-	82	80	75
PSO 2	-	82	81	

- The PAC members reviewed the PO and PSO Direct attainment for the following batches and gave the following suggestions for further improvement.

POs	ATTAINMENT PERCENTAGE		
	2015-2019 (upto 7 th semester)	2016-2020 (upto 5 th semester)	2017-2021 (upto 3 rd semester)
1.	76	74	
2.	75	73	
3.	74	74	
4.	77	71	
5.	79	78	
6.	77	72	
7.	77	74	
8.	77	77	
9.	82	81	
10.	77	77	
11.	80	72	
12.	77	76	
PSOs	ATTAINMENT PERCENTAGE		
	2015-2019 (upto 7 th semester)	2016-2020 (upto 5 th semester)	2017-2021 (upto 3 rd semester)
1.	76	77	
2.	78	78	

- PAC members suggested to concentrate more on Professional core and Environmental related courses for the improvement of POs 2, 4, 6 and 7.
- Vote of thanks given by HOD to all, for their valuable suggestion given in PAC meeting.

MINUTES OF PROGRAM ASSESSMENT COMMITTEE MEETING -I

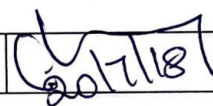

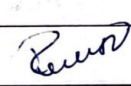

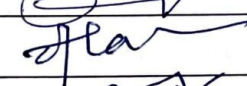

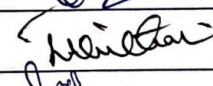

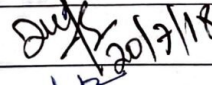

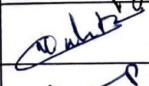

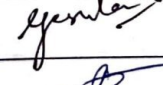

Academic Year : 2018– 2019(ODD)
Date : 20.07.2018
Time : 1.10 P.M
Venue : CSE – HOD Room

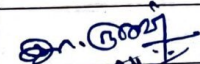

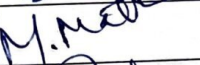

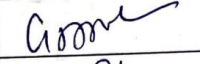

HOD welcomed everyone and asked the new members to introduce themselves. The following matters were discussed

- The importance of PAC meeting was explained briefly to the new members.
- The assessment of attainment of course outcomes by direct and indirect assessment methods was discussed.
- The Mandatory course of R-2015 Curriculum was discussed.
- Details about additional credit courses, credit replacement courses were discussed.
- **Mr.Alangudi Balaji**, Faculty Member, suggested to include framework concepts in the programming language courses.
- **Ms.P.Krishnaveni**, Faculty Member, suggested to modify the text book of the mobile computing course.
- **Mr.B.Selvaganesh**, Faculty Member, suggested that as the syllabus is vast, the Unit V of Database Management Systems course can be reduced.
- **Ms.A.Senthil Selvi**, Faculty Member, suggested the following
 - a. As the syllabus of Data Communication and Networks course is vast the syllabus can be reduced.
 - b. Operating Systems Laboratory experiments have to be rearranged according to the theory course.
- **Mr. B.Venktesh Gowtham**, Student Member, suggested the following
 - a. Programming languages like Python can be included as a core subject in the second semester.
 - b. Block chain concept can be added in the course Network Security Course.
- **Ms. P.Sethu Hari Priya**, Susuggested the following
 - a. Instead of giving one credit for Python, three credits can be given.

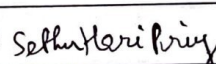

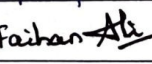

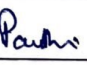

- b. Practical tests can be included for assessing programming languages courses.
- c. Open elective registration can be restricted in order to improve student's involvement.
- Mr. R. Faihan Ali, Student Member, suggested that debugging can be included as one of the chapters in the programming languages courses.
 - Mr. M.Mani Balan, Student Member, suggested that DBMS course is studied in 3rd semester. Programming papers in later semesters can include DBMS component so as to keep in touch with the concepts.
 - Ms. R.Pavithra, Student Member, suggested that Aptitude course can be included in the III Semester.

HOD concluded the meeting by saying that the suggestions will be considered for the revision of next Regulation and the possible suggestions will be implemented.

1. Internal Assessment for theory subjects for the students undergoing internship

HOD discussed about the internal assessment for theory subjects for the students who have undergone internship in any industry.

- I. The particular student has to appear for 3 internal tests during the course of the semester
- II. The particular student has to appear for 3 internal tests at the end of the semester
- III. The particular student has to take-up 3 internal tests either as online test or open book test. The course teacher has to send course material to the students. However, the student has to appear for end semester examination in person

2. Value added courses

It is decided to conduct the following value added courses

- i. C programming
- ii. Hands on training on PCB design
- iii. Research challenges in Tera Hertz wave Technology
- iv. VLSI design for wireless communication – milestones & Challenges

3. CO & PO attainment

HOD discussed about the CO attainment of the previous semester courses and PO attainment of 2014-2018 batch.

Following points were discussed

- **Alternate Assessment**

It was decided to have alternate assessment for the course 15UEE501- Power Electronics- Alternate Assessment: Simulation of Power Electronic Circuits

- **Internal Assessment for students attending Internship program**

- The students can attend the internal assessment if the company/industry offering the internship program permits them to attend as per the schedule given by the department
- If the students are not able to attend the internal assessment as per the schedule they may be allowed to write all the exams together before the last working day of the semester
- They may also attend the test online
- The course materials should be sent to the students attending the internship program

- **Value Added Courses**

The members suggested offering training/value added courses for students in the following areas

- Embedded System
- Programming using Arduino
- Programming in C and C++
- Electrical Wiring

- **Assessment /Attainment of CO**

Course outcome attainment of 2017-18 Even semester courses were discussed and reviewed.

Agenda

- Stakeholders Feedback on curriculum
- Attainment Analysis of CO, PO and PSOs (Batch 2014-18) and Curriculum Gap Analysis (Batch 2014-18)
- Curriculum Gap Analysis based on CO – PO Articulation Matrix (R2015)
- Any other

Minutes of the meeting:

The Program Assessment Committee meeting of 2018-2019 Odd Semester was held on 17/10/18 at 10:30 A.M in Civil Engineering Seminar Hall. The Chairperson of Program Assessment Committee Dr.R.Kumutha greeted all the members of the committee and motivated all the members to provide their ideas.

Suggestions for curriculum (R2015) and syllabi

The following are the various suggestions given by the students in R2015 curriculum.

Our Chairperson suggested that to move the course “15UCE902 – Concrete Technology” from Professional elective to Professional Core and also to arrange guest lecture for “15UCE872 - Special Concrete”

Suggestions given by the Students:

- Ms. Mary Agnes Rene.J of II ‘B’ (2017-2021 Batch) suggested to increase the no. of sessions for the lab courses so that to get more practical knowledge.
- Ms. Habiba Munavvara.P of III ‘B’ (2016-2020 Batch) suggested to arrange more industrial visit for the Subject “15UCE502 – Foundation Engineering” so that it can help to get practical knowledge.
- Ms. J.Jenifer Shaline of IV “B” (2015-2019 Batch) Suggested the course content of “15UCE904 – Town Planning and Architecture” is very simple and to add extra content or Remove the subject from R2015 Curriculum
- Mr. Sathispathy of IV “C” (2015-19 Batch) informed that Special Concrete is already in “15UCE902 – Concrete Technology”
- Mr. Sathispathy of IV “C” (2015-2019 Batch) informed that “15UCE902 – Concrete Technology” and “15UCE402 – Construction Techniques and Practices” some topics are same in syllabus

- Ms. Varshini of IV "D" (2015-2019 Batch) suggested to move the lab course 15UCE707 – Software Applications Laboratory from 7th Semester to 6th Semester.

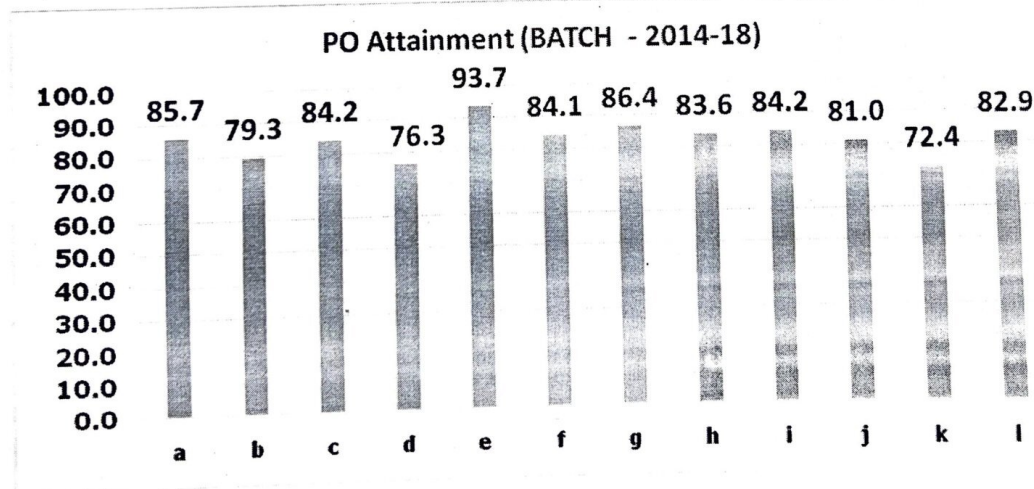

- Ms. J.Jenifer Shaline of IV "B" (2015-2019 Batch) suggested to offer the open elective to all the students including core Department as some of the open elective are very useful for the core department. She is suggested to offer the open elective to all the students including core Department.

Attainment Analysis of CO, PO and PSOs (Batch 2014-18) and Curriculum Gap Analysis (Batch 2014-18)

- Attainment Analysis of CO is completed based on CIE. Attainment analysis of CO – PO for the Batch 2014 – 18 is under Progress since consideration of SEE. Curriculum Gap Analysis will be done after completion of CO & PO attainment.

Curriculum Gap Analysis based on CO – PO Articulation Matrix (R2015)

- Old PO attainment Analysis was completed based on pass percentage of end semester examination.
- From the above PO attainment analysis, PO11 - Project Management and Finance attainment is low compared to other POs. A new course **Construction Management Principles for Civil Engineers** and **Interdisciplinary Project Management** are to be included in the new revision of Curriculum for the improvement of PO11.

- The Chair person created awareness about the Course Objectives and Course Outcomes.
- The Chair person highlighted about the mandatory courses and open elective courses available for 2015 Regulation (Choice based Credit System) and their usage.

❖ **Open Elective Courses:**

- Open elective courses are the courses offered by other departments. The students shall study open elective course offered in other Engineering/ Technology programmes through regular mode. (In 6th, 7th and 8th semester).

❖ **Mandatory Courses:**

- In addition, the students should undergo three non CGPA mandatory courses listed below.
- Credits are not assigned for a mandatory course, securing a pass of minimum 50 marks is necessary for the award of degree in the end of seventh semester.

Category	Courses
Personality and Social Development	Sports
	National Service Scheme
	Club Activities (ECO Club, Red Ribbon Club, YRC, Photography Club)
	Extra-Curricular Activities
Skills Development	English Proficiency Certificate such as BEC, TOFEL, IELTS
	Foreign Languages
	Soft Skills and Aptitude
	Aptitude Proficiency certificate such as GRE, GMAT, CAT
	Co-Curricular Activities
	Intellectual Property Rights
Value Education	Value Education and Human Rights

Agenda 4: Co-curricular Activities& Extracurricular Activities

- The Chair person advised the students to participate and get prizes in Co-curricular and Extracurricular activities. (Inter and Intra College Competition).
- The Chair person informed the students to monitor notice board regularly for any information about the programs conducted by other Institutions.
- The Chair Person asked the students to contact the Association Coordinators Mr.M.Vignesh and Ms.M.Jyothi for further information regarding the Co-curricular and Extracurricular activities.
- The Chair Person also asked the students to get membership in ICI& IEI Student Chapter.
- The Chair Person asked the students to join NPTEL courses and for further information regarding the course they are asked contact NPTEL co-ordinator Ms.B.N.Brinila Bright.

Agenda 5: General Amenities

Nil

Agenda 6: Any Other

- The Chair person advised the students to maintain discipline inside the class room and college campus.
- The Chair Person instructed the students to attend the class regularly and come to the class on time after break and lunch hours.
- The Chair Person strictly informed the students to come with proper uniform, shoe and should wear ID card within the campus.

- The Chair Person informed the students to take notes regularly and for problem oriented papers student should bring calculators without fail.
- The Chair Person instructed the students to buy record note books from store and get sign in the observation as well as in record note books immediately after lab experiments are completed.
- The Chair Person informed the students, if anyone participates on co- curricular activities they should get signature from their respective Class advisor, Association In-charges and Head of the Department in On-duty form as well as permission letter.

The first class committee meeting was held on 12.07.2017 in the Agri Engineering Department Hod Room and the following details were discussed as per the agenda. The Chairperson addressed all the students and the faculty members in the meeting.

Agenda 1: Details of regulations-weightages for assessment

- The Chair person informed the students about the weightages for internal assessment. (40 for the theory courses and 50 for practical)
- The Chair person informed the students to secure not less than 50% of total marks (Continuous internal assessment + End semester examination) prescribed for the courses with a minimum of 45% marks prescribed for the end semester examination in both theory and practical courses shall be declared to have passed the examination.

The apportionment of continuous internal assessment marks for theory courses shall be as follows:

S.No	Component	Maximum Marks
1.	Tests	25
2.	Quiz	5
3.	Assignment / Seminar	5
4.	Attendance	5*
Total		40

The apportionment of continuous internal assessment marks for Practical Course shall be as follows:

S.No	Component	Maximum Marks
1.	Record (conduct of experiment, observation and result in regular class work)	20
2.	Viva	5
3.	Model examination	20
4.	Attendance	5

- The Chairman of the Board welcomed the members of the Department Advisory Board.
- The Chairman reviewed the features of the Department of Computer Science and Engineering including inception of B.E. and M.E. courses, Research Centre under Anna University, Chennai, permanent affiliation by Anna University, Chennai, Autonomous status conferred and confirmed.
- The Chairman proudly presented the University Ranks obtained by students of Computer Science and Engineering, various programme organized, achievement of students and faculty members in NPTEL online certification courses, grants received from various organizations, student's association SITWARE.
- The Outcome Based Education (OBE) was illustrated by the Chairman of the Board with the explanation of building blocks; vision, mission, PEO, PO, PSO, and CO.
- The Chairman presented the stakeholders' feedback regarding the redrafting of Department Vision, Mission statements, PEO, PO and PSO statements to the board.

- Dr. P. Golda Jeyasheeli, Academy Member, suggested to include research component in PEO III as it was more appropriate than PEO I and PEO II can be reframed to reflect inter personal skills of the alumni. The Board accepted the goal statements and resolved to modify the PEO statements as per the suggestions of Dr.P.GoldaJeyasheeli.
- The Regulation 2015 and Choice Based Credit System followed by the Department were illustrated by the Chairman of the Board. Under that the flexible credit system, course registration, replacement for professional electives, mandatory courses, additional credits, open electives were explained. Dr. P. Golda Jeyasheeli clarified her doubt on adding or dropping credits by a student in the permissible credits of a semester.
- The curriculum under Regulation 2015 was illustrated by the Chairman of the board. She demonstrated curriculum structure. She further listed out the proposed changes in the curriculum which would be submitted for approval at Board of Studies.
- The mapping of curricular components with PO and PEO were depicted by the Chairman of the Board. She specified Programme Specific Criteria (PSC) and mapping of the PSC against curriculum.
- The PAC suggestions were put forth to the members of the Board. The Board members suggested to consider them at the time of revising the curriculum in future.
- The assessment questions and pattern proposed for approval from Board of Studies were also stated to the members of the DAB.
- The Chairman then announced that new curriculum and syllabus for Regulation 2019 is under process.
- Course Outcome attainment of the courses and corresponding PO attainment of the Batch 2015-2019 in the academic year 2017-2018 ODD which were discussed in the PAC meeting 06.04.2018 are reviewed. The DAB members accepted the resolutions given in the PAC meeting.
- The Chairman requested the members of the Board to offer their suggestions.
- Dr. P. Golda Jeyasheeli, Academy Member, suggested:
 - to get sought feedback from stakeholders before submitting the proposal for approval
 - to increase the credits offered to Laboratory courses so that the students would be motivated to perform well.

- to introduce Python programming as one of the professional core course for the undergraduate students
- to include more programming subjects instead of physics and chemistry subjects in the first year course.
- Ms. S. Gayathri Devi, Industry Member, suggested:
 - to give importance to Bigdata and Data Science related courses
 - to introduce courses related to Artificial Intelligence, Virtual Reality, Natural Language Processing, neural networks, machine learning and deep learning
 - to introduce Python as introductory course to programming instead of C language.
 - to encourage the students to do certification courses in current trends such as Big Data, Cloud Computing from industry recognized organizations.
- Mr. S. Varadarajan, Student Member,
 - suggested to offer more programming subjects than theory subjects
 - clarified about current technologies used in industry
