PROGRAMME REPORT

Name of the Program : Architecting and Implementing Large It Solutions
Name of the Department : Computer Science and Engineering
Duration : 04.10.2019
No. of Participants : 30

Department of Computer Science and Engineering and Department of Information Technology in association with CSI has organized Guest Lecture on “**Architecting and Implementing Large It Solutions**” on 04.10.2019. Dr.C.CallinsChristiyana, Professor &Head(CSE) welcomed the participants and introduced the **chief guest Professor.K.Subramanian Immediate Past Chair IEEE Delhi**. Mr.S.Mohamed Jaleel, Founder & Chairman delivered the presidential address. Dr.A.SenthilKuma Principal delivered the inaugural address. Dr.Shanawazs , Dean TLP felicitated the gathering.

All the dignitaries on the dais honored the guest. The chief guest Professor.K.Subramanian delivered the chief guest address and finally Dr.S.SivaranjaniProfessor&Head(IT) proposed the vote of thanks.The resource person Professor.K.Subramanian delivered the guest lecture on how to architect the IT solutions. He educated the students and the faculty members about how to apply the recent tools for the development of the IT solutions and motivated the students and the faculty members to develop the solutions for the current problems. About 70 participants actively attended the guest lecture and got benefit of it.

Department of Computer Science and Engineering
PROGRAMME REPORT

Name of the Program : Five days Hands on workshop on Machine Learning using Python
Name of the Department : Computer Science and Engineering
Association with : CSI- Student Chapter
Duration : 22.07.19 to 26.07.19
No. of Participants : 8

Department of Computer Science and Engineering in association with CSI- Student Chapter has organized five days Hands on workshop on Machine Learning using Python from 22.07.19 to 26.07.19. Dr. C. Callins Christiyana professor & Head (CSE) welcomed the participants and introduced the resource person Mr. Venkat Subramaniam, Trainee, Monkfox Technologies, Bangalore. He then taught the basics of python and gave hands on session in the machine learning topics like ANN, CNN, and Regression for classification using real time examples. The workshop was very fruitful and made the students to understand how machine learning can be implemented using python.

Mrs. M. Poomani @ Punitha, AP/CSE(S.G.) and Mr. B. Sivananthan, AP/CSE coordinated the workshop. Students and faculty members have attended the workshop and get benefit of it.
