CRITERION 6 Governance, Leadership and Management	6.4 Financial Management and Resource Mobilization
6.4.3 Institutional strategies for mobilisation of funds and the optimal utilisation of resources	

Mobilization of Funds

The College is taking efforts for resource mobilization. The college mobilizes resources through several avenues such as Student Enrolment, Infrastructural and Research Grants, Funds through Consultancy etc.

• Mobilization of Funds through Student Enrolment

The College ensures good student enrollment by taking several measures in the admission process. The publicity is done through distribution of brochures, advertisements in media and educational exhibitions. The College website gives the complete information about the College including courses offered and infrastructural facilities available to promote quality technical education. The admission process is very transparent and it is clearly specified in the college prospectus. For improving student enrolment several measures are taken by the College

- Engineering education is promoted among the school students by conducting Career Guidance Programs in the Schools
- Sethu Merit Scholarship Exam is conducted to attract the meritorious students by providing scholarships upto Rs.2,00,000/-
- To increase the enrolment of girl students fee concession is given to girl students
- College participates in Educational Exhibitions to promote the special features of the College to the public
- Area wise Admission Coordinators promote student enrolment in various areas
